Attention; Counselor ,

We, the management of Ashtartex, Co, Ltd. require your legal representation for our North American & Europe Customers. We are of the opinion that the ability to consolidate payments from North America & European will eradicate delays due to inter-continental monetary transaction between Asia and North America Europe.

We understand that a proper Attorney Client Retainer will provide the necessary authorization and we are most inclined to commence talks as soon as possible. Your consideration of our request is highly anticipated and we look forward to your prompt response / request.

Sincerely,
Moustafa Ashtar.
