Subject: regulation of retail forex

the change will kill my account, i am unemployed an this is the only way for me to make a liveing

Also what takes out most traders is there brokers do not honor stope

always out to hurt the little guy

this is why so many switching to oversea's brokers if this change is made i will go with a oversea's broker

you took the right to hedge away now this i payed alot of \$ to learn to trade an then you take everything i payed to learn away
