Re: RIN 3038-AE76 – Registration and Compliance Requirements for Commodity Pool Operators and Commodity Trading Advisors

Dear Mr. Kirkpatrick:

The Commodity Futures Trading Commission has requested comments on the Proposed Rule¹ providing registration relief for various persons who, without the implementation of the Proposed Rule, might otherwise be required to register as a Commodity Pool Operator and/or Commodity Trading Advisor.

We support the adoption of the Proposed Rule for the reasons set forth and with the modifications proposed in the comment letter submitted by The Private Investor Coalition, Inc. on November 28, 2018.

Thank you for your consideration of these comments.

Sincerely,

Brian S. North
