**Subject:** Regulation of Retail Forex - objection - RIN 3038-AC61

---

Dear Mr./Mrs. Secretary,

I would briefly mention my opinion on Regulation of Retail Forex:

1. More or improved regulation is probably needed to keep away the "bucket shops".
2. Individuals should have a choice on the desired leverage e.g.:
  - a) 100:1
  - or
  - B) 50:1
  - or
  - c) 10:1

I object to a 10-1 LEVERAGE **LIMIT** [ RIN 3038-AC61 ].

Please, keep the business in USA.

Thank you for your time.

Best regards,

Gabriela Ionescu
