Subject: Forex Regulations

David Stanwick,

Regarding RIN 3038-AC61

Why is it necessary for your agency to get involved in something that isn't broke, yet?
You've already driven 1000's of retail Forex traders over seas due to the regulations: Stop
orders, limit orders, etc.
Why cause traders to leave the US? I closed all of my acct's and open them in the UK where
things are run as they have been and SHOULD BE!
