Subject: Regulation of Retail Forex

To whom it may concern:

I am from china. I am using US brokers.

Regarding your recently regulation proposal, I fully agree to enhance industry oversight, but I don't like put any restrictions on leverage. Leverage is a very important tool for us seeking financial freedom as your Amercian, and lowering leverage dramatically like this will not only hurt our clients feeling but also drive us to other countries (ie. unregulated) brokers despite above advantage. This is not a win-win situation, it's a lose-lose situation that you probably wouldn't expected.

Please reconsider your proposal.
