Subject: regulation of Retail Forex

Secretary David Stawick

I very appreciate when I heard our government of today is try to help the little “people” – Attacking the big business –

But the regulation of retail forex Identification number RIN 308-AC61 going to affect me a lot - with the 100:1 leverage I can have multi strategies in the same time –

with the 10:1 leverage I can close shop and be out of trading - a loss of taxes from my capital gain.

Thank you of reading my note –
