Re: RIN 3038-AC61

Dear David Stawick,

You have not replied to my email and mail I sent a couple of days ago about what your plans are to deal with the legislation specifically RIN 3038-AC61. If you don't vote this thing down, you will have people with money leaving this country by the droves with me included. I will give up citizenship with the US and leave. I would rather make low wages in an island country and trade only \$100 at 100:1 leverage than to live in the United States and trade \$10,000 at only 10:1 leverage. I will do what ever it takes to preserve my rights and freedoms even if I had to leave this country destitute. Please get this message to Congress.

I will continue to correspond with you until I get an answer from the CFTC so I know how to make my plans. Good Day to you sir.

Sincerely,
Arlene Parker
