Subject: Regulation of Retail Forex

To whom it may concern, I am a housewife--old woman(no job),i have a account for tradeing currency.I am not a rich people,only a few money to invest.I am very carefully to my tradeing.So i had this business to earn the money although it is not a lot of money.If lower Forex leverage from 100:1 to 10:1,that means the small accounts like me all must close.Because i don't have \$10000. So what business i can do? How can i invest?Please don't do that,don't pass the new rule--lower Forex leverage from 100:1 to 10:1. I hope you understand what i say even my writing had some mistake. Thank you very much!Don't pass the new rule! RIN 3038-AC 61
