Please reconsider the proposed change to 10:1 leverage. Small Forex traders such as myself who have never had a complaint against the brokers I use, would be seriously impeded by the new regulation. As I depend on this income, but cannot risk huge sums, I would have to leave this market altogether.

Please don't let the complaints of inexperienced traders looking to blame others for their lack of trading expertise weigh in on your decision.

Thank you for your consideration.

Sincerely,

Larry Alexander
