Subject: Regulation of Retail Forex

---

*To whom it may concern:*

*Leverage is a very important tool for us seeking financial freedom as your Amercian, and lowering leverage dramatically like this will not only hurt our clients feeling but also drive us to other countries (ie. unregulated) brokers despite above advantage. This is not a win-win situation, it's a lose-lose situation that you probably wouldn't expected.*

*Please reconsider your proposal.*

*Regards,*
