**Subject:** Regulation of Retail Forex

---

To whom it may concern,

I am a retail trader and I am strongly opposed to the 10:1 leverage proposal by the CFTC.

The liquidity provided by retail traders increase the efficiency of the markets. Removing them, or unfairly pricing them out of the markets will result in increased price volatility overall and decrease the efficiency of the markets which is bad for everyone.

Kindly reconsider this proposal.

Thank you

Rajni Tyagi
