Subject: hello

Please think about what your about to do!!!! And you're doing it when so many people more than ever are depending on it and are gravitating to it due to it being open24 hrs a day. To many such as myself who are trying to make ends meet, it perfect because i don't have the luxury to quit my job, This is why so many in the work force are gravitating to it, in order to better manage the investments, and to make an extra income. So please really to think about what you're about to do.

Thank you
