Subject: Regulation of Retail Forex (RIN 3038-AC61)

Dear Sir,

I don't think the proposed " Regulation of retail Forex " is fair or good to the small investors like me, and I don't think it will bring any benefits to the national interests either!
I understand the risks of currency investing and willing to take them, but what the regulation proposed is to limit my capability of doing the currency investing, or do it with a higher costs or risks!
Please reconsider the regulation of retail Forex (RIN 3038-AC61)!
Thanks!

Best regards,

Tony Qu
