Subject: Regulation of Retail Forex

RIN3038-AC61

Right now I enjoy the FREEDOM to choose the appropriate ammount of leverage for my personal trading style and risk tolerance. I am aware of the risk of trading currencies because my retail market maker, FOREX.com, educated me about risk management and how to protect my capital using stop losses, and by being a prudent trader. What I do ith my money is my business. I'm happy to pay taxes on what I make, BUT LET ME MAKE IT! Thank you for your concern, and for your service to our great nation.

Respectfully,
Captain Al Suprin
