Subject: New regulation in Forex

Dear Secretary of the CFTC,

This email is to give you my feedback on the proposed regulation as a Forex trader. The intention to decrease the leverage from 1/100 to 1/10 will be totally detrimental to my trading activities and I am personally against the change in the leverage for trading forex. If this becomes a rule I will have no other choice than finding a different market like the European that allow me to trade on different leverages.

Thank you
