Subject: Regulation of Retail Forex

Sir/Madam

I am retired and my wife and I are living on a very small fixed income. I have been trading Forex through various US brokers, most noticeably FXCM and Alpari(US), with 100:1 leverage. Without the profit that I am making and drawing out monthly, we would not be able to meet our expenses and would literally starve. I am, therefore, appealing to you not to regulate the leverage down to 10:1.

Your truly,
