**Subject:** RIN 3038-AC61 'Regulation of Retail Forex'

---

Dear Sirs,

We believe that all traders **should have the right to choose the amount of leverage** that is appropriate for his/her risk appetite **with his/her own fund**, and that this basic principle of 'choice' is being threatened by the proposed CFTC regulations.

So, it would highly appreciated if the new regulations take this into consideration.

Thank you.
