Face Of Hope.
From Mariam Abdullah,

Dearest,
Thanks for reading my mail i will be happy to hear from you and i hope you are in good health.
I decided to contact you because of my present situation in the hotel here in Abidjan and please may Allah touch you to understand and give me your helping hand.

It is my pleasure to write you after much consideration,my name is mariam abdullah the only daughter of late muhammed abdullah from sierra-leone,I am 22 years old Girl, I was born in SIERRA-LEONE , and I school in Zimbabwe where my late father own his farm but I couldn't finish my education because of the things of the world, I have no brother nor sister. i lost my mother when i was 5 years old. so i grew up with my father in Zimbabwe.

My late father Dr Muhammed Abdullah was During the current crises against the farmers in Zimbabwe from the supports of President Robert Mugabe to claim all the white-owned farms to his party members and his followers,

My father is One of the most successful malty farmers in Zimbabwe and because he did not support Mugabe`s ideas, Mugabe's supporters invaded his farm and burnt everything in the farm, poisoned him and made away with alot of items in my fathers [farm.it](#) just because he is a foreigner in zimbabwe.and he owned a big farm, i am the only one alive now.

I am now writing you from Abidjan Coted'Ivoire where i escaped through the help of United Nation, am now lodging in an hotel..
So I am now in search of an honest and reliable person who will help to relocate me in your country for a better life / continuation of my studies.. i have chosen to contact you after going through your profile and i believe you are a reliable person who will not let me down or betray my trust..

I know you may wonder why I am so soon telling you about all this,even without seeing you or knowing you fully well, really something in me tells that you are a good person and i guess i am not wrong.
So briefly I will like to disclose little more about myself to you and see if you can help to relocate me come over to your country so as to continue with my studies and have a new love life, and please this is a little secrete and i plead with you to keep it to yourself alone until everything is properly arranged and executed then I will come over to join you in your country..

I have the sum of USD (\$9,000.000.00) as an inheritance from my late father which i will like to invest in your country with your help. deposited in suspense account in one of the prime bank in Abidjan the economic capital of Coted'Ivoire by my late father. i am going to give you all the details / contact because I want the money to be transferred to your account before I come over to join you in your

country. i need your urgent answer of your ability to handle this for me so that i will tell you the next step because i want to leave this hotel as soon as possible. Life here is like a hell , no love, no affection and no amenities. More importantly, I love my studies and here nothing is happening and people here are not friendly.

So kindly reply me on my private email below to know your readiness to help me and i promise to always be nice to you.
