**Subject:** Regulation of Retail Forex

---

dear sir:  
why restricting the leverage? instead you can say: its not allowed for retail traders to trade any more, or you can say : its not allowed for people to learn forex, come on guys why are you doing these things,forex is already very tough and we dont need more challanges in our trading, please dont restrict the leverage and treat us as humans with freedom to make our own risk and dont decide on our behalf.thank you
