RIN 3038-AC61

I think it is unfair for CFTC to change the leverage.
The margin requirement is too high. we have people who dont have \$10,000 to buy a lot.
the leverage used to be 200:1, where 1 lot cost \$500.00.
i think the leverage should be 200:1, and let everyone determine their risk level.
thanks
