Subject: Regulation of Retail Forex

Hi,

Identification number **RIN 3038-AC61:**

I am 33, educated as an architect, recently started trading forex for living. I have an inherent disease, which disables me to work full time as an employee.

After your new regulations come into force, shall I become unemployed and parasite on state benefits or do you have better idea? As I said I am 33 - long time to retirement age.

I hope the regulation does not get through.

Rgds,

Marie
