Subject: Re: "Regulation of Retail Forex" RIN 3038-AC61

RIN 3038-AC61

Dear Sir,

I strongly disagree with the new proposed rules by the CFTC for regulating the Retail Forex industry. I think each trader should have the freedom to choose what kind of risk he's willing to take, when trading Forex. It's not up to you to decide what is the leverage of my trading account and what should I trade and what I shouldn't.

Regards

Naji
