Subject: Regulation of Retail Forex

RIN 3038-AC61

Dear sirs,

I wish to express my outrage at the proposal to reduce the leverage for retail forex trading to a maximum of 10:1.

I have been a forex trader now for 4 years, and I believe it is my right, and the right of every other individual in retail forex trading to select the leverage they know works best for their trading style.

I cannot disagree strongly enough with this Government body imposed limit.

Best Regards
Barry Jones
