Subject: RIN 3038-AC61

Dear Sir,

The proposed leverage change for RIN 3038-AC61 would be devastating to me being able to participate in the Forex market. I would, like other I'm sure if you change the leverage to 10:1, be forced to open account in other countries. This would reduce business in our own country. Also I am a adult and fully aware the risks the Forex market has.

I implore you to not make this leverage change!!!

Sincerely,

Stephen Garrison
