---

I trade the retail Forex market with a US based brokerage. If you lower the current leverage for my trading account as you propose (RIN 3038-AC61), you will force me to leave the US brokerage and find a European based broker with more favorable leverage terms. I believe in this current economic time, we shouldn't make it any more difficult to do business with US based companies and employers. I urge you not to change the current leverage requirements.

Thank you,  
Lafe Warren
