**Subject:** Regulation of Retail Forex

---

RIN 3038-AC6

*Dear Secretary:*

*I am a lowly forex trader on the retail market. This leverage reduction will drive me out of business. I left my job in 2008 to trade full time, I have lost over \$1,3000.00 in the effort. This will force me out of business forcing me to be unable to recover my losses. I plead with you to reconsider this move.*

*Forex Trader 62....*
