Hello,

I want to thank you for your efforts in regulating the forex market. I trade the forex on a daily basis. I do have a full time job as a computer consultant. The forex allows me to trade on a part time basis and helps me pay for extra's in life. I plan to do this full time when I retire. My concern is in reference to the regulation of retail forex. Here is the number **RIN 3038-AC61**.

I would ask that you do not change the 100:1 to 10:1. This would limit and hurt my trading abilities.

Thank you....
