**Subject:** Opposing against Rule changing leverage 1:100 to 1:10

---

Hi,

This is Suresh. I am against this rule of changing leverage 1:100 to 1:10.  
I am a small trader. how can i have that much of money to trade?  
it will impact the traders like me.  
It will discourage people like me .

So do not propose this rule.
