Subject: Regulation of Retail Forex

10:1 leverage? How can an average Joe like myself make money on 10:1 leverage? Why are you doing this? I am a disabled 27 year old. I make my living via trading forex. With 10:1 leverage, I can no longer make enough money to live off of. This will ONLY benefit the financial institutions, and RUIN forex trading for people like myself.

Whose side are you on again?
