Dear Mr. Stawick,

This letter is concerning RIN 3038-AC61. I strongly disagree with the proposed changes to the retail Forex leverage availability. As a "small" trader I have been very successful with only several thousand dollars in my account and at risk. The proposed change would remove my ability to trade Forex altogether. Are you trying to create a market where only the wealthy can participate? Please keep the Forex market open to everyone and not just the rich.

Sincerely,

Rick S. Moore
