---

Dear Mr./Ms. Secretary

I oppose the proposed change of Forex leverage from 100:1 to 10:1 as this change will require me to invest 10 times the money I have right now in my forex account to continue the level of trading that i have been using. I am only a small investor, this proposed change might as well prevent me from trading all together. I hope you will reconsider the proposed change. Thank you.

B. Nghiem
