I want to reiterate my opposition to this proposal. There will be legal ramifications if you pass this proposal. I am sick of you guys getting in the way of the "average" American trying to make some money.

Your recent changes have already cost this country who knows how many millions and billions of dollars as American citizens have sought protection from the "protectionists" such as yourselves by moving their funds out of the country.

I don't plan on running by moving my money out of the country. I plan on fighting.

Do not pass the above-referenced proposal.
