**Subject:** regulation of retail forex

---

**RE: RIN 3038-AC61**

I am writing to express my concern over this proposed regulation.. Forex trading is my main source of income as an individual trader the proposed changes would seriously curtail my income and may require me to trade outside the US. Please consider my and many others in my situation when deciding on this and strongly consider no changes to current regulation.

Thank You

L. Van Ameyde
