Subject: Regulation of Retail Forex RIN 3038-AC61

As a registered Independent voter I am fed up with gov't. controls. It is time for all voters to take a look at our Congress and our arrogant President which without hesitaion nominates a brother to a congressman who is negative toward his health care program, for an appeals judge. It is time for a change and term limits for all of congress. Why not two term congress people just like the president? Please add my name to the list of voters who are against this regulation of Retail Forex. Thank you, R.A.Pinson 28139
