Subject: Regulation of Retail Forex

In regards to RIN 3038-AC61.

I am a small time trader with low starting capital. I have been trying to grow my account trading in the Forex market. Please do not set the maximum leverage to 10 to 1. I will have to raise more working capital to continue to trade.

Thank you. Please call me if you would like to talk to me about this. Steve Willette 714-234-4714
