Subject: Regulation of Retail Forex

Dear sir,

I wish to express my opinion as regard the restriction of retail forex trader via the proposed policy to raise the trading bar to 10:1 by CFTC. I strongly believed that;this will disevancaise many beginners/ up-coming traders, who have the potential to be great but shot down by this in-human policy.

Hence, i am pleading on behave of numerous world raders who are within this braket, that the market should maitain the status-quo for the benefit of all.

Thanks you Sir, for making our opinion count and also the viocess heard.

Regards.
