Subject: Regulation of Retail Forex

Dear Secretary CFTC,

Please do not change the leverage from 100:1 to 10:1 because, as an average working classUs trader, I would not be able to afford the \$10,000 margin requirement.

Please CFTC Secretary, maintain the 100:1 leverage, because this way, working class people like myself can trade the FOREX with a \$1,000 margin requirement.

Kind regards,

Sheila Iverson,
