**Subject:** Regulation of Retail Forex

---

RIN 3038-AC61

I am strongly opposed to the regulation change going from 100:1 to 10:1 leverage. You are essentially eliminating to regular person from trading because you need a lot of capitol to trade at these levels. You are treating american citizens as children and he have a right to determine how much risk we want to use. If this does go through i would seriously consider changing to a republican
