**Subject:** MARGIN RESTRICTION HURTS SMALL TRADERS

---

The proposed margin restriction is an ASSAULT on the free market participants, specifically the small trader who is WORKING to make a living and a name for himself.

IT is however, a GOOD way to force US trader to move money overseas and to support other brokers..

It is a BAD idea to restrict leverage to 1:10. I like being able to make my own DECISIONS in a free market. Thank you.

Sincerely,  
Day Trader Jay
