**Subject:** "Regulation of Retail Forex 3038-AC61"

---

hello sir, i am a forex trader and i write to suggest that the proposed regulation to cut down forex leverage to a maximum of 10:1 is not going to be favourable to us the traders, we think we can manage our trade and we should be left to take our risk, after all life is all about risk and it's risky not to take a risk. thanks for your anticipated agreement.
