**Subject:** 'Regulation of Retail Forex' RIN 3038-AC61.

---

Hi there,

I would like to object to the proposed change in the leverage of Forex Accounts. As a smaller investor in Forex, the new regulations would effectively wipe out my ability to enjoy the rewards I am afforded by being able to invest in multiple markets. While I can understand that limiting the leverage ratios might protect some consumers, it is those consumers who shouldn't be investing in Forex or any other commodity with money that they cannot afford to lose.

Thank you.

**Tim Weiler**
