Subject: 'Regulation of Retail Forex'

Dear Sirs:

As a **United States Citizen**, a **registered voter**, and a **Forex trader**, I would like to **leave the *Regulations of Retail Forex*** as they are **currently**.

I would **object to the reduction in leverage of Retail Forex accounts** (RIN 3038-AC61).

This would be one more **financial mistake** taken by the **current administration** to further **damage** the economy and move the United States towards **Socialism. I am against it !**
