**To:** secretary <secretary@CFTC.gov>  
**Subject:** Oppose 10:1 forex leverage

---

Please don't change the leverage on forex trading requirements. This will stop me from making a living trading forex or send me to a foreign country broker...more jobs sent overseas.

Don't let the big banks dictate to you. Please leave forex leverage 100:1. You just changed it.

Thank you,

Steve
