Subject: Regulation of Retail Forex - RIN 3038-AC61

1-19-2010

Dear Secretary Stawick,

Margin level of 10:1 will KILL retail trading, increase unemployment, devastate our economy more and more and will expedite our economic downfall and money will flow out of the country. Don't do it.

Please leave it at 100:1 at least.

A concerned forex trader
