**Subject:** Regulation of retail forex

---

Sirs/Madam

I am a doctor, well educated regarding stock, options and forex trading for over 25 years. There is absolutely no reason to change the leverage for forex trading. I can set whatever level of risk I want now and I want to continue to manage my own level of risk. Enough of regulation. Any regulation that would prevent fraud is one thing, but let me manage my personal issues.

Wayne O'Roark, BS, DDS, DABOI
