RE: RIN 3038-AC61

Please allow the "100-to-1" to stay in effect. Right now, that is what we rely on to supplement our retirement. If it is changed to "10-to-1" we won't be able to stay in the game and we don't know what we'll do. I guess Obama will have to raise taxes to help us.

Please consider our request.

Thank you.
