Subject: 'Regulation of Retail Forex'

RIN 3038-AC61

I would hereby like to object to the reduction of leverage proposed in retail forex.

I have been trading retail forex for 5 years and believe that a 200:1 ratio is fair.
By limiting the ratio to 10:1 American brokers are going to loose a lot of money, which will affect the us economy in a negative manner.

Regards

Gerhardt van Zyl
FXDD customer.
