Subject: 'Regulation of Retail Forex'

RIN 3038-AC61.

Sir,

I have investments in the stock markets where I am very conservative.

I take a small portion of my portfolio on FOREX and I understand the risks.

If the leverage is reduced to 1:10, there will no longer be a need for the forex component of the portfolio.

I will have to move my account out of the states.

Thank you
Adeyemi
