re: RIN 3038-AC61

This measure is NOT required! I do NOT need to be protected from either myself or Retail Forex Brokers...

This country was founded on freedom - the freedom to both succeed AND fail.

Outcomes can and should NOT be attempted to be guaranteed or manipulated...

And if that is done by over-regulation & ridiculous restrictions, then We The People will find another way...

There is NOTHING WHATSOEVER WRONG with 100:1 margin - leave it as my choice who to invest with, and at what margin.

If you wish to curtail fx brokers with 200:1 or more margins, fine. But at least leave 100:1 alone. Thank you.
